

**If our kids start smoking in school,
some will eventually learn how to operate
this piece of equipment.**

Tobacco kills more people
than AIDS and murder
combined. It's time to expel
tobacco from our schools.
Is your child's school tobacco
free? Visit our website to find
out, and learn how you can
help make your schools
100% tobacco free.

It's a lesson
every child should learn.
